Our Sunday School

An Inside Look

Educational Philosophy

Our mission is to educate and inspire our students by bringing their Jewish heritage to life.

Through our dynamic educational program, students will gain a strong sense of Jewish identity and Jewish values.

Curriculum

Our curriculum is designed to make learning fun. Through music, art, baking, storytelling, and other interactive activities, students will explore their Jewish heritage in a warm and nurturing environment.

Our curriculum will emphasize Jewish texts and prayers, Jewish history, and the Jewish calendar.

Jewish Texts: Sunday School classes will introduce students to the letters of the Jewish alphabet and give them the skills and confidence to read Hebrew texts and to navigate the pages of the Hebrew prayer book and Bible. In addition, classes will often include an exploration of the coming week's Torah Portion.

Jewish Calendar: Students will gain an appreciation for the many exciting days on the Jewish calendar, from Shabbat to Tu B'Shvat. Through crafts, baking, and other activities, students will discover the unique rituals and customs related to each Jewish holiday.

Jewish History: Sunday School classes will provide students with a comprehensive overview of the seminal events in Jewish history—including the destruction of the Temple and the founding of the State of Israel.

Jewish Values: Through role play, stories, and class discussion, students will learn about the importance of Jewish values, such as honoring one's parents, visiting the sick, giving charity, and performing acts of loving-kindness.

Schedule

Classes will take place on Sunday mornings from 9:30 to 11:00 a.m. from January to June.
